Dear Mr. Cason,

Attached below is updated information regarding the Inter-Tribal Gathering that starts on Thursday this week. Will you or anyone from DOI be attending the event? Also, please let me know ASAP if you interested in holding a public listening session to hear from local Native American residents?

We were able to upload the videos from the May 23rd event. That link is here:

https://drive.google.com/drive/folders/0BwpDBprU_swjSEFlemcyXV0RIU?usp=sharing

Also, during our meeting you asked about the discrimination report that is part of the voting right litigation. This report can be accessed here:

Re: Invitation to Inter-Tribal Gathering & Potential for DOI Public Hearing, June 8-11

Dear Associate Deputy Secretary Cason,

I appreciate the time you spent listening and discussing Bears Ears National Monument with the Bears Ears Inter-Tribal Coalition tribal leaders and myself on Thursday, May 25, 2017. In follow-up to the verbal invitation by Chairman Cuthair of the Ute Mountain Ute Tribe during our meeting, Utah Diné Bikéyah (UDB) now sends you the formal invitation in hopes that you, Secretary Zinke, and other key officials involved in the National Monuments review will attend our “Inter-Tribal Gathering.” It will be held from Thursday, June 8th through Sunday, June 11th on Ute Mountain Ute lands located inside the Bears Ears National Monument. As stated, UDB also offers logistical support for DOI to hold a public meeting/listening session for San Juan County citizens during this event. Importantly, this meeting should happen in a location that is not hostile to Native Americans. To RSVP for the event or for additional information, please contact Nizhone Meza at (435) 659-0656 or nizhone@utahdinebikyah.org.

As stated in our public comment submitted yesterday, Utah Diné Bikéyah strongly supports the Bears Ears National Monument in its entirety. We urge you to maintain Bears Ears as established on December 28, 2016, and hope that meeting the people and seeing the land will provide more information for the review process.

Respectfully,

Gavin Noyes, Executive Director
Utah Diné Bikéyah
